SUNRISE LANDING COVID 19 POLICIES FOR THE 2022 SEASON

1. WE ARE ONLY ACCEPTING RESERVATIONS FROM GUESTS WHO WILL BE FULLY VACCINATED BY THE TIME OF THEIR RESERVATION DATE INCLUDING ANY BOOSTERS THAT ARE AVAILABLE FOR WHICH THEY ARE ELIGIBLE. WE ASK GUESTS TO SEND VERIFICATION OF VACCINATION BY EMAIL AHEAD OF STAY IF POSSIBLE.

2. We have discontinued taking reservations for the Rose and Morning Glory Suites in order to reduce traffic in the main part of the house. The Sunflower and Iris apartments each offer 600 square feet of indoor living space and limiting reservations to these apartments will reduce guest exposure to one another and to staff, Guests in the Sunflower and Iris apartments who opt for the Bed and Breakfast option will receive a room service breakfast.

3. All guests are required to wear a mask if inside the main part of the house for any reason. We have an ample supply of KN95 masks for anyone who does not have a mask.

4. Hand sanitizer will be readily available for guests to use..

5. The Sunflower and Iris apartments will be thoroughly sanitized between guests according to COVID 19 guidelines as well as given the normal thorough Sunrise Landing sanitized cleaning.

6. Whenever possible, we will block out at least one night between guest reservations in order to completely ventilate the apartment for the next guests.

7. We will not be refreshing accommodations during a guest's stay but will provide fresh towels and any other refresh of supplies a guest may need, upon request.

8. We have installed a UV light system in our heating/cooling ducts in order to further provide for the safety of all.

9. We are completely waiving our cancellation policies for 2022. If guests feel ill or have any symptoms of COVID in the immediate time period prior to reservations, OR obviously if they test positive, they should not come. We just ask guests to notify us of cancellation as soon as possible and there will be no charge; no questions asked.

Thank you for your help in keeping everyone safe.
